

Daniel Conklin, CFA

Dan Conklin is a vice president of Loomis, Sayles & Company, and a senior investment analyst for the relative return team. He focuses on portfolio construction and implementation, process design and improvement, evaluation of investment ideas and risk analysis.

Dan has eight years of investment industry experience and joined Loomis Sayles in 2012 as a fixed income client portfolio analyst. He moved to the relative return team in 2014 as an investment analyst and was promoted to senior investment analyst in 2018. Previously, Dan was a middle office analyst at Putnam Investments, supporting the firm's derivative collateralization process.

Dan earned a BS from the University of Massachusetts, Lowell and an MS from Northeastern University.
