

Celeste J. Tay

Celeste Tay is a vice president and senior sovereign analyst in the macro strategies group at Loomis Sayles Investments Asia Pte. Ltd. She covers all of Asia including China and Japan, assisting in the generation of economic research and investment ideas. In addition to Celeste's role in macro strategies, she is a strategist for the Asia Bond Plus strategy. Prior to joining the Loomis Sayles Singapore office as a sovereign analyst in 2013, she was a regional economist and interest rate strategist at 4Cast. Celeste has also worked as an economist for Macquarie Group in Sydney. She earned a Bachelor of Commerce with honors from the University of New South Wales.
