

Jennifer M. Thomas

Jennifer Thomas is a vice president of Loomis, Sayles & Company and senior mortgage and structured finance analyst for the fixed income group. She specializes in ABS with a focus on consumer ABS including auto lending, student loans and unsecured consumer lending. Jennifer is responsible for generating relative value trade ideas to help enhance portfolios and achieve investment objects, and collaborating on structured product-related initiatives with client services and marketing. In addition, she has also supported the credit and research efforts in CMBS. Jennifer joined Loomis Sayles in 2007 and has 18 years of investment industry experience.

Previously, Jennifer worked at Sun Capital Advisers, LLC where she began as an associate investment analyst and trading assistant on the mortgage backed securities and corporate bond trading desk, responsible for trading, compliance and ad-hoc portfolio management reporting, executing trades and maintaining portfolios, and assisting with detailed investigations for trade discrepancies or fails. Later she was a fixed income investment analyst responsible for performing analysis and trade recommendations for transportation, environmental services and provincial services sectors, and providing analysis and recommendations of high grade corporate bonds and agency MBS.

Jennifer earned a BS from Bryant University and an MBA from Clark University.
